
VESTA

“Progettare emozioni è la nostra passione,
renderle realtà è la nostra missione”

Caterina Migliorini
Designer & Art Director Vesta

I NOSTRI VALORI

PASSIONE & DESIGN

Ogni oggetto che pensiamo e disegniamo ha una storia da raccontare. La moda entra in casa e Vesta è un brand che mescola tre ingredienti principali: design italiano con bagaglio fashion, ecosostenibilità e un pizzico di emozione, esaltando a tutto tondo i cinque sensi della vita.

MADE IN ITALY

Attraverso il processo di industrializzazione l'azienda è in continua crescita utilizzando macchinari di alta e nuova tecnologia.
Le produzioni sono tutte realizzate internamente.

FONDAMENTALI

SENTIMENTO ARTIGIANALE

Attraverso i propri collaboratori, veri maestri artigiani, Vesta coniuga il loro saper fare con le moderne tecnologie di cui dispone.
La manualità e l'artigianalità sono il patrimonio aziendale in costante evoluzione e sperimentazione.

SOSTENIBILITÀ

Utilizzo di materiali ecosostenibili provenienti da riciclo di scarti di lavorazione e da fonti bio-attribuite a ridotta impronta carbonica.
